

Helping Hands for America's Public Lands

On Saturday, September 18, 2004
Oregon/Washington Bureau of Land
Management is hosting the
11th annual **National Public Lands Day**
at various locations across the region.

Thousands of Americans – individuals, families, and organizations – will gather together to help improve our country's largest natural resource, its public lands!

Project information is listed below. If you are interested in a specific site or activity, or have any questions, please contact the project coordinator directly.
For additional information about activities happening across the country, call **1-800-VOL-TEER** or on the Internet at www.npld.com.
